- b) if the rate of pay in the position to which the employee is transferred is less than the employee's rate of pay, the employee shall continue to receive their rate of pay for the lesser of either one (1) year or until such time as the rate of pay in the position to which the employee is transferred exceeds their rate of pay. If, after the expiry of one year, the rate of pay in the position to which the employee is transferred is less than their rate of pay, such employee's rate shall be reduced to the rate applicable to such position.

21.09 Temporary or Term Positions

22.04 Proof of Jury Duty

An employee at the Employer's discretion may be required to furnish proof of jury duty or as a crown witness and pay received therefore. Any employee on jury duty or appearing as a crown witness or a witness in their capacity as a Division employee shall make themselves available for work before or after being required for such duty or appearance whenever practicable.

22.05 Examination Leave

Whenever in this Agreement, deduction of salary during a leave of absence is to be made, the amount of the deduction shall be calculated in accordance with the formula set out below:

Hourly Rate X No. of hours in work day = \$ deduction per day.

22.07 Religious Leave

A full or part time employee shall be given leave of absence up to a maximum of three (3) days per school year without loss of pay for major religious holy days observed by the employee and designated as a day of obligation by the employee's religion. The Division will refer to the Manitoba Multifaith Calendar as a resource to verify religious and/or spiritual days, and in situations where the holy day is not identified in that calendar, the Division may request confirmation from the employee's clergy or religious leader that the day sought is a day of obligation by the employee's faith/religion.

Employees shall not absent themselves from duty for reasons of religious holy days without first notifying the Manager of Human Resources or their designate. The following notification period shall apply:

- a) Employees on staff requiring religious holy leave during the school year shall provide notice in writing on the prescribed form as soon as possible after the start of the school year, however not later than September 30th.
- b) In instances where religious holy leave is required prior to September 30th in the school year, notice shall be given within ten (10) working days after the start of the school year, unless the holy days fall within the first ten

- c) Where the appropriate notice has not been given, religious holy days' leave will be provided, however the employee's pay will be deducted at the employee's regular hourly rate.
- d) The parties agree that this Article constitutes reasonable accommodation for religious leave.

22.08 Personal Leave

With reasonable notice to the school principal and subject to the availability of a suitable replacement if required, an employee shall be granted one (1) day of personal leave per school year without loss of pay. Such leave is not cumulative. Effective July 1, 2024, an employee shall be granted two (2) days of personal leave per school year without loss of pay.

Personal leave cannot be used to extend spring, summer or winter breaks.

The number of employees granted personal leave on any one day within a school shall be no more than 10% of the bargaining unit employees in a school, or one (1) employee where there are less than ten (10) bargaining unit employees in a school. In the event the number of leave requests exceeds this amount, leaves shall be granted in order of the date received.

ARTICLE 23 - SENIORITY

23.01 Definition

The parties recognize that job opportunities should increase in proportion to length of service. Seniority shall be defined as the length of service since the date of last hire and shall be the cumulative amount of time which the employee has worked for the Employer.

23.02 Calculation of Seniority

All seniority shall be stated in equivalent of years of service to two decimal places (i.e.) 6.18 years and 11.23 years pro-rated on the following basis:

A year of service for an employee working in the classification of:

- a) Calendar-year secretarial staff shall be two hundred and sixty (260) days.

- b) School-year secretarial staff shall be 205 days. For school-year secretarial staff hired prior to August 1, 1996, it shall be 208 days.

23.03 Maintenance of Seniority List

The Employer shall maintain a seniority list showing the employee's seniority for each Classification Group in which the employee has worked, and their bargaining unit-wide seniority. That up-to-date seniority list shall be sent to the President and Treasurer of the Association and posted in the Board Office and on the Bulletin Board in each school in September of each year.

Effective June 30, 2020, the Division will maintain a separate seniority list showing the classification seniority for each employee that has classification seniority within the Clerical Support and Educational Support Classification Groups. These seniority lists shall be sent to the President and Treasurer of the Association and posted in the Board Office and on the Bulletin Board in each school in September of each year.

23.04 Types of Seniority

There shall be two types of seniority, namely bargaining unit wide seniority and classification seniority. Bargaining unit wide seniority shall mean the length of service in the employ of the Employer. Classification seniority shall mean the length of an employee's continuous service for the Employer in any classification within a Classification Group which the employee is working or has worked. Classification seniority shall govern in cases of promotions, the filling of vacancies, lay-offs and recalls. In all other cases, bargaining unit wide seniority shall govern.

23.05 Seniority List Protest

Each employee shall be permitted a period of fifteen (15) working days after receipt of such seniority list to protest in writing any alleged omission or incorrect listing to the Manager, Human Resources of the Employer, but such protests shall be confined to errors or changes occurring subsequent to the posting of a previous

Handwritten initials and signature in the bottom right corner, possibly reading 'H. P.' and 'C.H.'.

seniority list. In the event the employee does not file a written protest with the Employer within the time limits stipulated, the list shall be considered as accepted as regards that employee. However, when an employee is on vacation, leave of absence or sick leave, the employee may protest the alleged omission or incorrect listing within fifteen (15) working days of their return to work. If the employee's protest is not settled to the satisfaction of the parties to this Agreement and the employee affected, the matter shall be considered a grievance and shall be processed in accordance with the Grievance Procedure.

The Employer shall provide the employee with a written acknowledgement of receipt of any protest within twenty (20) working days of receipt, and shall provide the employee with its written response to such protest within a further twenty (20) working days. Copies of all such letters shall be concurrently provided by the Employer to the Association.

23.06 Loss of Seniority

An employee shall lose their seniority for any of the following reasons:

- a) if the employee is discharged and is not reinstated;
- b) if the employee resigns;
- c) if the employee, without valid reason, fails to return to work after the termination of any leave that has been granted by the Employer;
- d) if the employee is laid off for a period exceeding twelve consecutive months;
- e) if the employee, without valid reason, is absent without leave for a period in excess of five days.

23.07 Probationary Employees

Newly hired employees shall be considered on probation for a period of one hundred and twenty (120) paid days of employment. This probationary period may be extended for a period not exceeding sixty (60) paid days of employment upon the prior written agreement of the Employer and the Association. During such probationary period employees shall be entitled to all rights and privileges of this Agreement, except with respect to discharge. The employment of such employee may be terminated at any time during this period without recourse to the grievance and arbitration procedure. After completion of the probationary period, seniority shall be effective from the date of employment.

23.08 Seniority to Continue

When an employee is on an authorized leave of absence with pay, or an authorized leave of absence without pay that is ten (10) working days or less in duration, seniority shall continue to accumulate.

23.09 Seniority to be Maintained

When an employee is on an authorized leave of absence without pay in excess of ten (10) working days, their seniority shall be maintained but shall not further accumulate during such leave.

Notwithstanding the foregoing, an employee on maternity leave shall continue to accumulate seniority for a period no greater than seventeen (17) weeks. (Effective July 1, 2003)

ARTICLE 24 - LAY-OFFS AND RECALLS

24.01 Job Security

The parties hereto recognize that job security should increase in proportion to length of service. Therefore, in the event of a lay-off, employees shall be laid off in the reverse order of their classification seniority.

The Division may, in exceptional circumstances, by-pass a junior employee who would otherwise be designated for lay-off, if the lay-off would have an adverse impact on the development and education of the special needs child to which an Educational Assistant is assigned. Prior to invoking this provision, the Division shall provide the President of the Association with;

- i. documentation setting forth the relevant circumstances of the case and;
- ii. documentation from the key professionals involved in the case to substantiate the Division's use of this provision. The material and information provided to the President of the Association shall be held under the strictest of confidence.

24.02 Notice to Employees re Employees to be Laid Off

The Employer shall notify employees who are to be laid off twenty (20) working days prior to the effective date of the lay-off, except when emergency or other circumstances beyond the control of the Employer necessitate lay-off without notice, in which latter cases the employee shall receive a minimum of three working days' notice prior to the effective date of the lay-off. The notice shall give the reason for the lay-off and its expected duration. If an employee has not had the opportunity to

Handwritten signature and initials in the bottom right corner of the page.

work the days as provided in the notice, they shall be paid for the days for which work was not made available.

Notwithstanding the foregoing, the Division need not provide such notice to an employee for the period of time that they would not normally work during the summer, provided however that the employee is returned to their same assignment immediately following the summer break.

24.03 Lay-Offs During the School Year

When lay-offs occur during the school year, the redundant employee shall be either:

- a) re-assigned to an equivalent position(s) at the discretion of the Division; or
- b) Should Step (a) not be possible, the least senior employee(s) holding a position(s) in the classification of the redundant employee shall be laid off and replaced by the redundant employee, provided the redundant employee is otherwise qualified to perform the work of the least senior employee(s).

For the purpose of this clause, the employee who will be designated as the redundant employee, where possible, will be the employee in the school who is in the affected classification and who has the least classification seniority.

However, the Division will retain the discretion to reassign or transfer the person who occupied the redundant position in circumstances where the transfer of the least senior employee would have an adverse impact on the development and education of the affected child(ren).

The Division will make every effort to re-assign full-time employees to a full-time position for which they are qualified within one school. Where that is not possible, the Division will offer to place the affected full-time employee in the first such full-time position that becomes available in their classification. If no such position becomes available during the school year, then the Division will, and subject to the employee's seniority, provide the employee with a full-time position in one school for the following year by utilization of the Eligibility List.

24.04 Recall List

All employees laid off shall be placed on a recall list, with a copy furnished to the Association, and shall be called back to work as required beginning with the most senior employee and descending from there, provided that the senior employee is qualified to perform the duties of the position to be filled.

24.05 Notice of Recall

Notice of recall to an employee who has been laid off shall be made:

- a) to an employee who is actively employed with the Division, by email with a read receipt.
- b) to an employee who is not actively employed with the Division, by mailing by registered mail or courier the notice of recall to the last known address of such employee filed by such employee. Recall notices for a large group of employees will initially be made by phone. If direct telephone contact is not made, recall will be made by mailing a registered letter or sending a couriered letter.

If an employee fails to reply in writing or verbally to the Manager, Human Resources or designate, within seven (7) working days of such recall notice or the date specified for reply whichever is greater, then the Employer may terminate the employment of such employee and shall recall the employee next in line according to the seniority list.

24.06 Reduction of Hours

- a) An employee whose hours of work have been unilaterally reduced during the term of the current school year shall, at the option of the employee, be deemed to have been laid off;
- b) An employee whose hours of work have been unilaterally reduced for the upcoming school year and who does not wish to take the reduction in hours shall, at the option of the employee, be placed on the Eligibility List.

24.07 Eligibility List

- a) Any employee, in a position deemed surplus to the Division requirements, or in a position increasing from part-time to full-time for the upcoming school year, shall be deemed to have had their position discontinued, and will be placed on an eligibility list.

The following procedures will apply:

- (i) employees will be notified that they are in such a position twenty (20) working days prior to the effective date of the change;
- (ii) in the event there are an insufficient number of positions available to place all employees so affected, the Employer will

lay-off, beginning with the most junior employee, such employees as are required to be laid off to create a sufficient number of positions in the classifications affected.

Employees laid-off will be placed on the Recall List;

- (b) Employees on the eligibility list who have had their positions discontinued shall then indicate in writing, to the Employer, on a form provided by the Employer, their preference by ranking all of the available positions in order of desirability.
- (c) The Employer will then transfer employees to fill the available positions on the basis of classification seniority and according to their expressed preference, provided that the senior person has the qualifications and ability to perform the work.

ARTICLE 25 - CREDIT FOR PAST EXPERIENCE ON RETURN TO SERVICE

25.01 Personnel resigning their position and returning to service will be granted credit for past experience as follows:

- (i) if absence in excess of three (3) years - no credit;
- (ii) if service with division exceeds five (5) years, a loss of one increment;
- (iii) if service with division less than five (5) years, a loss of two increments.

ARTICLE 26 - SUSPENSION AND DISCHARGE

26.01 Reasons to be Given in Writing

- a) The Division shall have the right to suspend or discharge any employee for just cause. Such employee shall be advised promptly in writing of the reason for their discharge or suspension, with a copy being sent to the Association within five (5) working days;
- b) An employee's immediate supervisor may suspend an employee but shall immediately report such action to the Manager, Human Resources;
- c) When an employee is requested to attend a meeting regarding discipline or that may potentially lead to the imposition of discipline, they shall be advised of their entitlement to and shall be permitted to have an Association representative present during such meeting.

RE: EDUCATIONAL ASSISTANT (EA) YEAR END STAFFING

- The Division will bulletin all new positions required for the upcoming school year as soon as they become known in the current school year.
- The Division will, prior to June 1 of the school year, attempt to make a realistic assessment of the number of EA's that will be required during the upcoming school year. If the Division believes that there are more "regular" EA's working than will be required by the end of September of the upcoming school year, then it will issue layoff notices to an appropriate number of staff with such notices to be issued in accordance with the terms of the Collective Agreement.
- If the Division believes that one or more schools will be negatively affected by student transfers or staffing requirements, the least senior employees will be notified of their pending re-assignments in accordance with the terms of the Collective Agreement.
- The Division will, during the second week of September of the school year, reassess its requirements for EA's within each particular school. Where the Division concludes that there are more staff in the school than it will require, it shall advise the affected employees in the school that they are being placed on the "Eligibility List". In determining which staff within a school are to be so advised, the Division shall designate the EA's within the school who have the least Classification seniority, provided however the staff who would remain have the qualifications and ability to perform the work.
- The Division will, at the time of advising employees that they are being placed on the "Eligibility List", provide them with a list of available positions. Employees who have been placed on the "Eligibility List" shall then advise the Division, within three working days, on a form provided by the Division, of their preference for such positions by ranking all the available positions in order of desirability.
- The Division shall then transfer employees to fill the available positions on the basis of seniority and according to their expressed preference, provided that the senior employees have the qualifications and ability to perform the work. Employees who are transferred shall be given at least five working days notice of the transfer.
- Employees who are placed on the "Eligibility List" shall be transferred to a position that is equivalent, both in terms of hours of work and classification, to the position that they were then occupying. In other words, the provisions of the Article pertaining to Lay-Offs During the School Year would not apply in the September time period.
- The Division is permitted to hire new employees that do not otherwise fall within the current definition of the Letter of Understanding Re: Term Positions, as temporary/term EA's for a period of 10 months or less.

- These new employees would be hired only where the Division had not been able to fill the position after having bulletined it within the bargaining unit. Consequently, these positions when posted, and not filled from within the bargaining unit, would be filled by a new hire designated as a temporary/term employee.
- Where the foregoing requirements have been met, and a new employee is hired as a temporary/term employee, then the EA's employment shall come to an end no later than the last day of that school year or if earlier, then in no case with less than two (2) weeks notice.
- Where an EA is hired prior to November 1 in any school year and the EA was employed as a temporary/term employee at the end of the school year, then the 10 month period set forth under the definition of "temporary/term employee" (see Article 1 of the Collective Agreement) shall begin to run as at the date that the EA previously commenced their employment as a "temporary/term employee".
